## Reading and Math Night— The Learning Continues Outside the Classroom

Wednesday  
November 4, 2009  
Time: 6:00-8:00

## Math and Reading Night

Enjoy a night of information, fun and surprises.

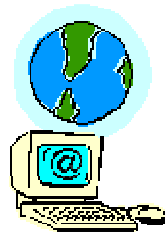

These interactive sessions will provide you with valuable information about your child's mathematics and reading education, and give practical strategies to support his or her learning.

Presented by Pine Grove Middle School teachers, each 30 minute session targets key resources, practices, and information essential to student success.

A wide array of books for adults and children will be available to purchase from a "Books Are Fun" representative. Proceeds from this sale will benefit our students. In addition, the Baltimore County Public Library will be here to provide resources and the opportunity to become a member.

**Pre-registration is required.** Simply complete the Registration form, detach, and return with your child by **October 28, 2009.**

We look forward to seeing you!

## Tools for Success

### Session Overview

**Study Island** – Access web-based program that provides instruction, practice, and assessment based on Maryland's state's standards that is rigorous, fun, and engaging.

**Algebra I**—Learn more about the concepts taught in Algebra I as well as how to help your child prepare for the HSA.

**BCPS website resources**— Gain access to free databases on the Baltimore County Public Schools website that are valuable resources to students and parents.

**Play, Shop, and Munch** — Have the opportunity to play family games that promote the development of both reading and math skills, shop at "Books are Fun", and partake of some snacks.

Prizes and T.R.A.C.S. will be awarded.
